

Nefer Kali Healing Guide

Cashew Bark Extract

Suggested Use:

Shake well.

Take 4 drops or up to 0.5 mL when needed. You can increase the dose slowly as you see fit.

For best results, add the drops to room temperature water. This helps preserve the potency of the tincture and ensures easier absorption.

Clean diet is preferable for boosted performance of this tincture.

Thank you (or in our ancient language of Kamit, Tua U) for your support. Nefer Kali Healing provides high quality healing products to help aid and assist in building your life force.

Ingredients: Organic St Lucian Cashew Bark, 190 Proof Cane Spirits, Distilled and Structured Water

Expiration Date: 12/02/2026

Benefits of Cashew Bark

Antibacterial Properties: Cashew bark contains compounds that exhibit antibacterial activity, making it potentially effective in combating bacterial infections. This can be particularly beneficial in treating skin infections or gastrointestinal bacterial issues.

Anti-inflammatory Effects: The bark of the cashew tree is known for its anti-inflammatory properties. It can be used to alleviate inflammation in the body, which is beneficial for conditions like arthritis, swelling, and pain management.

Antioxidant Rich: Cashew bark contains antioxidants, which are compounds that fight against free radicals in the body. These antioxidants can help in preventing cell damage and reducing the risk of chronic diseases.

Gastrointestinal Health: Some traditional medicinal uses of cashew bark include treating stomach and intestinal ailments. It may help in soothing digestive issues and improving overall gastrointestinal health.
