

# Nefer Kali Healing Guide

## Het Her Womb PLUS Tea

### Suggested Use:

Simply steep **1-2 teaspoons** of the herbal blend in 8-10 oz of hot water for 15-30 minutes.

Take after **Ovulation for 14-16 days** leading up to and **throughout menstruation**.

Can be taken for **30 days consecutively** for one monthly **only** if doing a 30 day womb detox. If this is the case this should only be done once a year.

Thank you (or in our ancient language of Kamit, Tua U) for your support. NeferKali Healing provides high quality healing products to help aid and assist in building your life force.

This divine herbal formula, comes from my admiration and devotion to the heavenly body Venus, the planet that represents the divine feminine.

Het Her Womb PLUS tea was carefully formulated using **Red Raspberry Leaf, St Lucian Blue Vervain**, and a high power herb exclusively grown in the Caribbean called **St John's Bush**. It is best used for improving Fibroids, Menstrual health and helps promote deep womb cleansing.

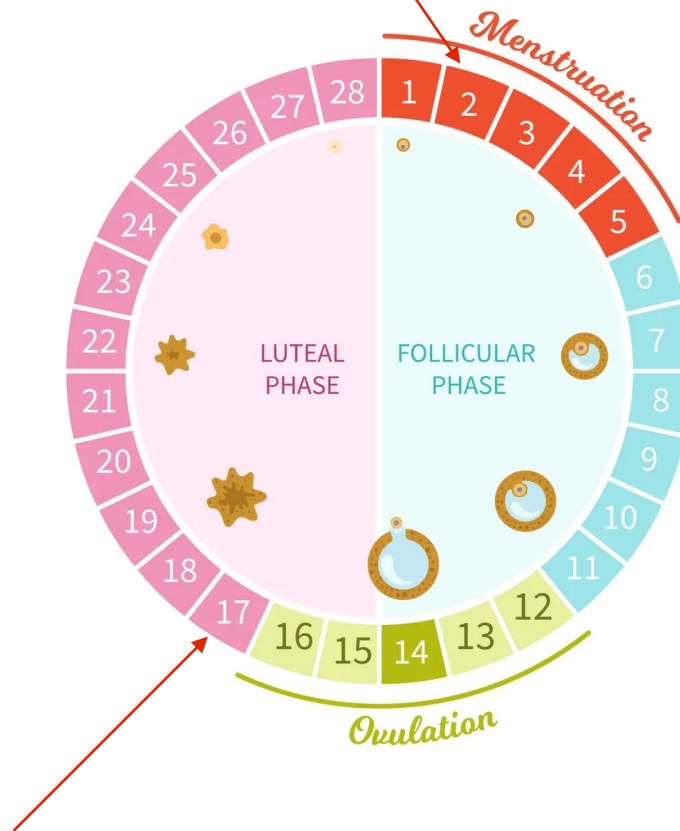

**Ingredients:** Organic St Johns Bush, Organic Blue Vervain, and Organic Red Raspberry Leaf
